This act may for all purposes be referred to or cited as the Town of Farmville Charter of 2023 and shall be effective on July 1, 2023.

SUMMARY OF PROPOSED CHANGES TO FARMVILLE CHARTER

The Town of Farmville's Charter was last repealed and a new charter was adopted by the General Assembly in 1956. Over the last 60 years, many of the provisions have become outdated, and rather than amend the current charter it is more efficient to repeal the existing charter and adopt a new one. The new charter would contain 30 sections as opposed to the current charter's 62 sections.

The major changes to the current Charter being proposed are as follows:

1. Rather than delineate the boundaries of the Town, the language has been changed to simply state that "The boundaries of the town shall remain as now established unless changed in accordance with applicable law." This language is the same as was in the Luray Charter rewrite approved by the General Assembly in 2019.
2. The powers of the town are set forth in several provisions in the current charter, and are consolidated into one provision in the new charter. These are the same powers given to the Town of Bedford when its charter was rewritten and approved by the General Assembly in 2013.
3. The election, term and filling of vacancies of Town Council remain the same as in the current charter, although the language is updated. The Council consists of seven members plus the mayor. Five council members are elected from wards and two are elected at large. The mayor is elected at large. Terms of all members and the mayor are four years. Language in the current charter about *establishing* wards is eliminated, as wards have already been established.
4. The new charter would retain the current procedure that the mayor only votes in case of a tie and deletes much of the old language regarding the mayor's powers and duties from the existing charter, which states that the mayor is the chief executive officer of the town. This role has changed over the last 60 years to a structure where the town manager, appointed by council, is the chief executive officer responsible for the day to day administration of town government.
5. The new language more clearly delineates the duties of the town manager.
6. The new language eliminates the power in the current Charter to appoint bail commissioners as obsolete.
7. The new language eliminates the power of the Circuit Court to appoint justices of the peace for the Town as obsolete.

8. The new language eliminates language regarding the appointment and duties of the town treasurer. There is currently no treasurer, and those duties are performed by a Finance Director who reports to the Town Manager. Fifteen of the current sixty two sections of the town charter relate to duties of the treasurer.
9. The new language eliminates language regarding the appointment of a town sergeant. The town has a police chief and police department, and there is no longer a town sergeant or a need for one.
10. Removes the provisions about recording and authenticating ordinances after adoption as unnecessary and obsolete.
11. Removes the 6-hour notice requirement for special meetings as not consistent with FOIA
12. Removes the provision about felons forfeiting their council office, since that is covered by state law.

REQUEST APPROVAL OF THE FINANCE REPORT

Mr. Cole made a motion to approve the Finance Report as presented, seconded by Mr. Vincent, and with all Council members voting "aye", the motion passed.

BACKGROUND: The Finance Director reported on the July Finance Report. The second installment of ARPA funding was received on July 28, 2022, in the amount of \$4,070,178. There was a decrease in cash in Fund 15 due to the paving and milling contract that was approximately

\$871,000. and was paid out in July 2022. Also noted was \$8.9 million was transferred on August 2, 2022 to the Local Government Investment Pool (LGIP).

REQUEST APPROVAL TO ADOPT ORDINANCE NO. 212 ADDING SECTION 29-22.1 OF ARTICLE III AND AMENDING SECTION 29-31 OF ARTICLE IV OF CHAPTER 29-ZONING AND SUBDIVISION

Mr. Cole made a motion to send the proposed ordinance back to the Planning Commission for revision, seconded by Mr. Pairet, and with Council members Amos, Cole, Dwyer, Pairet, Reid, and Vincent voting “yes”, the motion passed.

BACKGROUND: Town Manager reported the two public hearings were for this proposed ordinance. 29-22.1 is an addition for heights of items not currently covered and maximizes the height of flagpoles and some other accessory structures. 29-31 changes Subsection F related to B-2 and B-3 zoning districts pertaining to signs. Having received some sign requests and after a review from planning staff, larger square footage for signs on buildings and on signs near the roadway were suggested. Also noted were some concerns in the B-1 Historic Downtown District, and wall signs and all the signage in downtown will be looked at for any needed changes, like what was done with B-2 and B-3 districts.

Mr. Cole spoke again on his concern for the flagpole restriction of 20 ft. and noted no explanation for the restriction was provided by the Planning Commission. A discussion was held on the height of the flagpole outside of the Town Hall. Town Manager advised currently there is no regulation of flagpoles.
